Dear Private Driving School and Instructors:

As you know, 140 IAC 4-1 (Section 14) allows for no more than 2 hours of classroom instruction. It is my understanding that, in the past, waivers have been granted to allow for 3 hours of classroom instruction and those waivers are due to expire during 2009.

Please allow this letter to act as an authorization to waive the 2 hour classroom instruction requirement and allow for no more than 3 hours of classroom instruction. This authorization will not expire unless further notice is provided to you.

The institute appreciates your patience as we work together on this important initiative to improve driver safety. For more information on private driver's education, please visit our newly developed webpage at: <http://www.in.gov/cji/3363.htm>

If you have questions or concerns, please do not hesitate to contact us at any time. Thank you for your commitment and efforts in providing quality education to Indiana drivers.

Sincerely,

A handwritten signature in cursive script, appearing to read "T. Neil Moore".

T. Neil Moore, Ed.D.
